INTRODUCTION: *The Village of Highland Falls is applying for a grant through the New York State NY Forward grant program to aid in the revitalization of the downtown Highland Falls. Like the Downtown Revitalization Initiative (DRI), NY Forward has the overarching goal to revitalize downtown areas across New York State. However, funding through this new program is focused on smaller communities such as Highland Falls.*

WHY SHOULD I PARTICIPATE?: *The Village of Highland Falls is asking residents to contribute to the development of the vision for our downtown. Meeting attendees will have an opportunity to:*

- **Contribute to the development of the vision for downtown Highland Falls**
- **Identify needs, opportunities and potential projects to diversify the current businesses and services available in downtown Highland Falls — items for discussion include but are not limited to your opinion of: Downtown assets? Challenges? What is your opinion of downtown today? How do you see downtown Highland Falls in 10 years?**
- **Review and discuss a preliminary list of projects for inclusion in the application**
- **Propose new ideas for downtown Highland Falls**

Come and participate in determining the future of downtown Highland Falls!
